

Global Green USA's Annual Millennium Awards *Nomination Form*

The Millennium Awards were established in 1996 to recognize and herald those whose lives and livelihood embody Global Green USA's mission of "fostering a global value shift toward a sustainable and secure world." The Awards were designed to honor individuals, companies and organizations who recognize the connection between humankind and nature, to celebrate their success and inspire others to make such exceptional behavior the norm. They are presented annually in Los Angeles.
